JANUARY BIRTHDAYS

Readers celebrating a birthday this month are invited to share in the gift of giving by donating a new or gently-used hardcover book to our library. Books are welcome anytime during the month. Students making a donation will receive a bookmark and certificate! "Birthday Books" will be labeled in honor of your family's donation. Thank you!

Happy New Year, and welcome back to the library! I hope you all found some time to chill out with books over the break! This month, we'll be reading books by author-illustrators Jan Brett, Helen Lester, C. & M. Buehner, and Lucy Freegard. We'll also be researching, illustrating, and writing about arctic animals using our virtual research rooms and nonfiction text. Students will be encouraged to explore Caldecott Award Winners, like *The Snowy Day* by Ezra Jack Keats, and many more! ♥ Mrs. Laney

Join me for a special "Milk & Cookies Story Time" in the library after school-3:15 on Friday, January 14th.

Space is limited, so **SIGN UP** today!
